

A Gold Rush Diary

Contributed by ScottC
Sunday, 04 April 2010

Here is The Gold Rush Diary Of George Bonniwell, a very interesting real account of the day to day travels on the road to California in 1850. This diary depicts the meaning of tough as nails, and true endurance, what those people went through to get to Calif was gruling to say the least.

Enjoy these 5 pages of diary on the road to California.
